Digital Assignment III – June 2020

Programme	:	BTech CSE	Semester	:	Winter 2019-20
Course	:	Internet and Web Programming	Code	:	CSE3002
Time	:	1 Week	Max. Marks : **10**		

Answer all the Questions

1 As a database administrator of a reputed school, Insert the following information into a database by creating a new table. After the insert operation the teacher concerned asks you to update 2 records in the database namely, change the marks of Swati to 90 and change the last name of James to Anderson. She also insists to delete the details related to a student named Chetna as she has left the school. Implement these tasks using PHP with MySql databases.

First_Name	Last_Name	Marks
Sonoo	Jaiswal	60
James	William	80
Swati	Sironi	82
Chetna	Singh	72

2 Write a PHP script to send email with multiple attachments.

3 Validate the given form with the requisite conditions using JavaScript.
